oring and beautiful voice cried out:
"Oh, won't you please pick me up?"

I eagerly clasped the little hands and unde her bow to me and said her "thank Toward nightfall every one else had withyon" very prettily and then she accepted the profered hand of her friend and glided took a seal one and I were left alone. I the proffered hand of her friend and glided away from me. And do you know I did not like it? I felt distinctly vexed, for you see she was bewitchingly lovely and walked across the room, touched the bell,

provoked to recognize as a stranger. I now found myself always watching for that one little figure, and following it "Clara," I began cather timidly, "you and, although there were half a score of young ladies who had a right to expect me to join them and convoy them around the rink, I skated on alone, in utter diregard of every social and moral obligation to that effect. Every how and then I chanced upon Miss Alden, but I felt too The upshot of it all is—what."

The upshot of it all is—what." especially, when suddenly something oc-curred that invested her with a lively in-

terest. She had been stopping to speak to will you marry me"
some friends who sat without the siling "Most certainly no some friends who sat without the wiling looking on, and as she and her escort were cool, calm, determined. I was startled, starting out again she suddenly came face and murmured confusedly:

"Most certainly not." The answer came dink de money vas in."

When the shoes had been paid for and the negro had gone, Hoffenstein said. a gleam of recognition on both faces, and then Miss Alden exclaimed:

And this brings me to the period of the principles of Caustics, and many with which I started out. Here was 1, appeared by every body to be the favored adores of one lovely girl, while in fine between the favored adores of one lovely girl, while in love with another. For I had no doubt about my camination from the content of the days in which I had because of the started out. Here was 1, appeared by the work in the result of the favored adores of one lovely girl, while in love with another with the pair matter in the content of the started out. Here was 1, appeared by the work in the result of the favored adores of one lovely girl, while in love with another with the pair matter in the content and content and content and content and content and content and the started out. admit when I have stated my case, and it times with such a shread smile; but she when presently flatey and I emerged we was exceedingly provoking to be conscious treated me better than ever. She was reencountered Miss Aiden at once, and when
that I was looked upon by all my acquainally a spiendid creature, and, under image she leaned toward me and whispered ed being in existence. Up to a month mas came. On Christmas night there was back, I suppose I might, with some show to be a grand fancy-dress hall at the rink. of reasonableness, have been called lucky. Daisy was going, and so was Clara, and it for Miss Clara Alden, the recognized belle goes without saving that I was on hand. of the season, smited upon me, and the My perpleatites were at their hight. I was not be the clerk and sould go for I'd also. Well, I did go in. That's the mischief of it. I went in just far enough to commit myself to the contest, but, before I had eighted the winning post. had sighted the winning post, something prudent and excessors fellow, in whose happened to give me pause. We were at the sharing rink one night, a large party. How fondly I hoped he might decide that to go around de alcoet mit p also meant the sharing rink one night, a large party. of us, Miss Alden being one of the number. Her special except was a young for And how differently he did decide! He ber. Her special excert was a young for eigher, who was being a good deal honized in society just then, and Clara seemed to take a marked interest in him. It did not take a marked interest in him. It did not take a marked interest in him. It did not concern me in the least to observe this, for since I had fancied myself to be in love with Clara Aiden, I had had reason to congratulate myself upon the assurance that I was not of a jealous temperament. I intended pretty son to tender to Miss Aiden, for his part, he began to doubt then a good sized beart and a good sized.

den's that day—quite en famille, as usual, It gave me assessky feeling of late whenquite contented with this condition of affairs and even supposed myself to be very
happy.

Well, this night at the rink I had seen
Clara grate of with her You'd had seen to scorpt, and so had accepted. When Clara skate of with her Englishman, and with an unperturbed spirit I was skimming around the rink alone, when, just behind me, I heard a little scream and a little scream and a little scream and a little scream and a little scream, as I turned, I met a pair of for watching her, and I had to acknowling little scream and a little scream little scream little scream little scream and a little scream and a little scream and a little scream and a little scream little s than any woman I had ever seen. I could have been very proud of such a wife, I re-

drew the prostrate young lady to her feet.
I was just in time, for half a dozen other to do and I had been slowly making up men had burfied to the spot, among whom my mind to do it if the opportunity oc the glimpse I had of her was merely tan-united until the servant came and then or-talizing. I met her after that many times, always ing; but when the servant had lighted the with the same man, whom I was rather room and departed, she came back to the
